

O! don't force me to take it, Brother Jonathan—give me  
Holland Gin, French Brandy — any thing but this D—d  
Yankee Perry — it has already fuddled me.

Take it, Johnny—take it I say — why cant you take it? —  
It will mend your morals & your manners oo, friend Johnny.—  
Plague on you, you shall swallow it.

**BROTHER JONATHAN** Administering a Salutary Cordial to **JOHN BULL.**
